

Emergency Response Application

Individual First Responder Emergency Response Application

In an effort to assist our First Responders by alleviating funding needs, the Emergency Response Program provides between \$500 – \$2,500 in monetary support to active duty first responders.

First Responder Emergency Response may include: personal family circumstances; injury support; and or individual equipment needs. Our goal is to provide first responders with the necessary tools to focus on their duties and complete their jobs at their best capacity.
