

100 CLUB OF ILLINOIS FRONTLINE CONVENTION

March 2 & 3, 2026 | Oak Brook

Created in 2023, the 100 Club of Illinois Frontline Convention is the **only Illinois mental health conference** combining law enforcement, fire service, dispatch, and clinicians with a focus on first responder resiliency solutions.

By focusing on the preventative side of mental health, **Frontline Convention creates a space to reduce the stigma around asking for help and seeking out resources.** With the guidance of keynote speakers and several workshop sessions, attendees will focus on resiliency, stress management, spiritual growth, physical wellness, financial fitness, family relationships, and bringing sustainable solutions back to their agencies.

ATTENDANCE BY YEAR

The 2026 Frontline Convention will take place on March 2 & 3 in Oak Brook and is expected to welcome over 600 attendees.
